WORK EXPERIENCE

UI Developer

Jan 2026 – Mar 2026

MoodNest | moodnest.in

Remote

- Engineered responsive and scalable user interfaces for a live event-ticketing platform, enhancing **user experience** and visual consistency.
- Developed dynamic frontend components using **HTML**, **CSS**, and **JavaScript** for booking workflows and event discovery features.
- Optimized frontend performance and ensured seamless **cross-device and cross-browser compatibility**.

EDUCATION

Vellore Institute of Technology

Aug 2023 – May 2027

B.Tech in CSE (Education Technology)

CGPA: 7.7/10

TECHNICAL SKILLS

- Programming Languages:** C++, Python, JavaScript, SQL
- Backend & Databases:** Node.js, Express.js, MongoDB, REST APIs, JWT Authentication
- Frontend:** React.js, HTML, CSS, Progressive Web Apps (PWA)
- DevOps & Tools:** Git, GitHub, Postman, Linux, Vercel, Render
- Cloud & APIs:** AWS, Google Cloud, Google Places API

PROJECTS

Offline QR Ticket Verification System

Feb 2026 – Present

Offline-First PWA System

IndexedDB, Service Worker

- Built offline QR validation system enabling secure ticket scanning without internet connectivity.
- Implemented duplicate prevention and offline check-in logs supporting **1,000+ attendees**.

Revolutionizing Speech Therapy App

Sep 2025 – Dec 2025

AI-Driven Gamified Communication Tool

AI, UI/UX

- Developed an AI-driven application focused on improving **speech therapy and communication skills** through personalized, interactive learning methods.
- Designed a user-friendly interface with **gamified features**, enhancing user engagement and creating an effective digital learning experience.

Braille Learning App

Nov 2024 – Dec 2024

Assistive Learning Application

UI/UX, Java

- Developed a learning application to support **Braille education**, helping users understand and practice basic Braille patterns effectively.
- Focused on simple interface design, structured learning flow, and improved accessibility for a better user experience.

CERTIFICATIONS

Google IT Support Professional (2026) | NPTEL: Crime and Cyber Security (2026) | NPTEL: Cloud Computing (2025) | AWS Technical Essentials (2025) | Linux Tutorial (2025)

EXTRACURRICULAR ACTIVITIES

AdViTy 2025 – Techno-Cultural Fest

Feb 2025

Core Team Member

VIT Bhopal

- Served as Core Team Member for AdViTy 2025, VIT Bhopal's annual multi-day techno-cultural fest, contributing to planning and on-ground execution across the event.
